Forecast for Wednesday 14 Apr 2021

Weather: A mainly dry day with a sunny start but a little more in the way of cloud developing for the afternoon, with just the odd light shower possible across the south. The cloud then clearing in the evening.

Chance of cloud free mountain/hill tops above 800m: Around 90%.

Visibility: Only small amounts of cloud expected below the summits, mainly in association with showers. Generally visibility very good or excellent with good panoramic views of surrounding mountains.
